We are pleased to inform you that the Minnesota Gun Owners Political Action Committee has officially endorsed your candidacy for election as State Representative – District 5A for the 2018 general election.

In addition, our parent organization, the Minnesota Gun Owners Caucus, has awarded you the grade of “A” for your support for gun rights in Minnesota. The grading scale can be viewed at <http://gunowners.mn/grading>.

Our endorsement is based on a number of factors, including your overall record of public statements and votes, responses to our current and previous candidate surveys, and others factors that indicate support for the constitutional rights of Minnesota’s gun owners.

We are confident that you will be a strong, steadfast supporter of gun rights in Saint Paul during the 2019 – 2020 legislative biennium.

We encourage you to use this information in any manner that you feel may be helpful to your campaign. We will also work with gun owners and other voters in your district to ensure that they give you their full support.

Thank you for your strong support of the Second Amendment, and please accept our best wishes for a successful campaign.

Yours in Liberty,

Rob Doar
